At the heart of the Elementals series lies a quartet of extraordinary women, each embodying a fundamental element of nature: fire, earth, air, and water. As the forces of nature manifest within them, these women become

living conduits of elemental power, capable of wielding extraordinary abilities that both enchant and astound.

- **Bronwyn "Bron" Jones:** Rooted in the steadfastness of earth, Bron's grounded nature and unwavering loyalty provide a solid foundation for her companions.
- **Lyra "Lyra" Landry:** As free-spirited as the wind itself, Lyra's connection to the element of air grants her an agile mind and a playful spirit.
- **Nimue "Nim" Harper:** Flowing with the grace of water, Nim's intuitive nature and healing abilities bring solace and renewal wherever she goes.
