In Walther's *If We Were Us*, we follow the story of two people who meet and fall in love, only to have their relationship torn apart by tragedy. The novel explores the complexities of identity, loss, and the transformative power of love, with lyrical prose and unforgettable characters that will stay with you long after you finish reading it.

Identity and Loss

At the heart of *If We Were Us* is the theme of identity. The novel explores how our identities are shaped by our experiences, our relationships, and the people we love. When these things are lost, we are forced to confront who we are and what we want out of life.

The protagonist of *If We Were Us*, a young woman named Anna, is struggling to find her place in the world. She is adrift and unsure of who she is or what she wants to do with her life. When she meets and falls in love

with a man named Ben, she finally feels like she has found her purpose. But when Ben dies in a tragic accident, Anna is left shattered and lost. She must now confront her own identity and find a way to move on without the love of her life.

The Transformative Power of Love

If We Were Us also explores the transformative power of love. Love can change us in profound ways, making us more open, more vulnerable, and more connected to the world around us. But love can also be painful, and when it is lost, it can leave us feeling empty and alone.

Anna's love for Ben transforms her. She becomes more confident, more outgoing, and more sure of who she is. But when Ben dies, Anna's world is turned upside down. She is left feeling lost and alone, and she must now find a way to rebuild her life without him.
