Orthodoxy Unraveled

The Chosen centers around two young boys, Reuven Malter and Danny Saunders. Reuven is the son of a renowned rabbi, Talmudic scholar, and spiritual guide to his Hasidic community. Danny, on the other hand, is the son of a secular, communist activist. Despite their starkly contrasting backgrounds, they forge an unlikely bond that transcends religious and cultural divides.

Talmudic study, the strict laws of kashrut, and the intricate rituals and customs that define the Hasidic way of life. The novel challenges the notion of absolute faith, introducing characters who question tradition and seek alternative paths.

A Coming-of-Age Tale

The Chosen is not simply a tale of faith and friendship, but also a poignant coming-of-age story. As Reuven and Danny navigate the challenges of adolescence, they grapple with questions of identity, purpose, and the meaning of their existence. Their journey is one of self-discovery and personal growth, as they confront their own beliefs and values.

Through the characters of Reuven and Danny, Potok offers insights into the universal struggles of adolescence, regardless of religious or cultural affiliation. He explores the complexities of growing up, finding one's place in the world, and forging a meaningful path in the midst of societal pressures and expectations.
