Dr. Jones listened to Lily's story and then she told Lily about a horse named Night Mare. Night Mare was a gentle horse who loved children. Dr. Jones told Lily that Night Mare would be the perfect horse for her to practice overcoming her fear.

Lily agreed to meet Night Mare and Dr. Jones took her to the stable where the horse was kept. Night Mare was just as gentle as Dr. Jones had said and Lily quickly warmed up to her. She petted Night Mare and even gave

her a carrot. Lily was still a little bit scared of Night Mare, but she was determined to overcome her fear.

Dr. Jones had Lily sit on Night Mare's back and then she led the horse around the stable. Lily held on tight and she was surprised at how much she enjoyed the ride. She realized that Night Mare was not scary at all. She was actually a very nice horse.

Lily continued to ride Night Mare every day and she quickly became more confident around horses. She even started to help Dr. Jones care for Night Mare. She brushed her coat, fed her hay, and cleaned her stall. Lily was so proud of herself for overcoming her fear of horses.

One day, Lily and Dr. Jones went on a trail ride with Night Mare. They rode through the woods and along a stream. Lily had never been on a trail ride before and she was excited to experience it. Night Mare was a great trail horse and she followed Dr. Jones's lead perfectly.

As they were riding along, they came across a group of deer. The deer were startled by the horses and they ran away. Lily's horse spooked and she almost fell off. Dr. Jones quickly grabbed hold of Lily and pulled her back onto the horse. Lily was shaken up, but she was not hurt.

Dr. Jones asked Lily if she was okay and Lily said that she was. She was still a little bit scared, but she was proud of herself for not giving up. She knew that she could overcome her fear of horses, even if it took some time.

Dr. Jones and Lily continued on their trail ride and they had a great time. They rode for hours and they saw many beautiful things. Lily was so glad

that she had decided to overcome her fear of horses. She realized that she could do anything she set her mind to.

The Courageous Chiropractor And The Night Mare is a story about facing your fears. It is a story about courage, determination, and the power of friendship. It is a story that will inspire children to never give up on their dreams, no matter how scary they may seem.
